Brighton and Hove Drug and Alcohol Team Shop Theft Project Evaluation

Liz Cunningham and Peter Squires

October 2006
FOREWORD

This is a contribution to our series of research papers which brings work in the Health and Social Policy Research Centre (HSPRC) and the School of Applied Social Science to a wider audience. The HSPRC aims to:

- foster and sustain quality research in health and social policy
- contribute to knowledge, theoretical development and debate
- inform policy making, teaching and practice

Its main areas of expertise are in:

- community and service user empowerment
- inter-agency working and partnership
- needs analysis and evaluation
- health and social policy
- policing and criminal justice
- psycho social studies

HSPRC publishes a regular newsletter and an Annual Report, as well as a separate series of occasional papers. Recent reports include:

Further information about the Centre can be obtained from:
